OMAN PHARMACEUTICAL PRODUCTS

Established in 2001 under the flagship of Al-Bahja group (a diversified conglomerate known for its dynamic group companies and leadership status in all of its business). We are specialized in the development, production & marketing of branded generics and OTC pharmaceuticals in the MENA region and worldwide markets.

We are committed to transform lives with Quality medicines. Our novel technologies and global reach provides us a competitive edge.

Our leading product portfolio covers a broad range of therapeutic areas such as Anti-infective, Cardiovascular, Hormone, Anti-Diabetic, Gastrointestinal and Pain management.

Vision

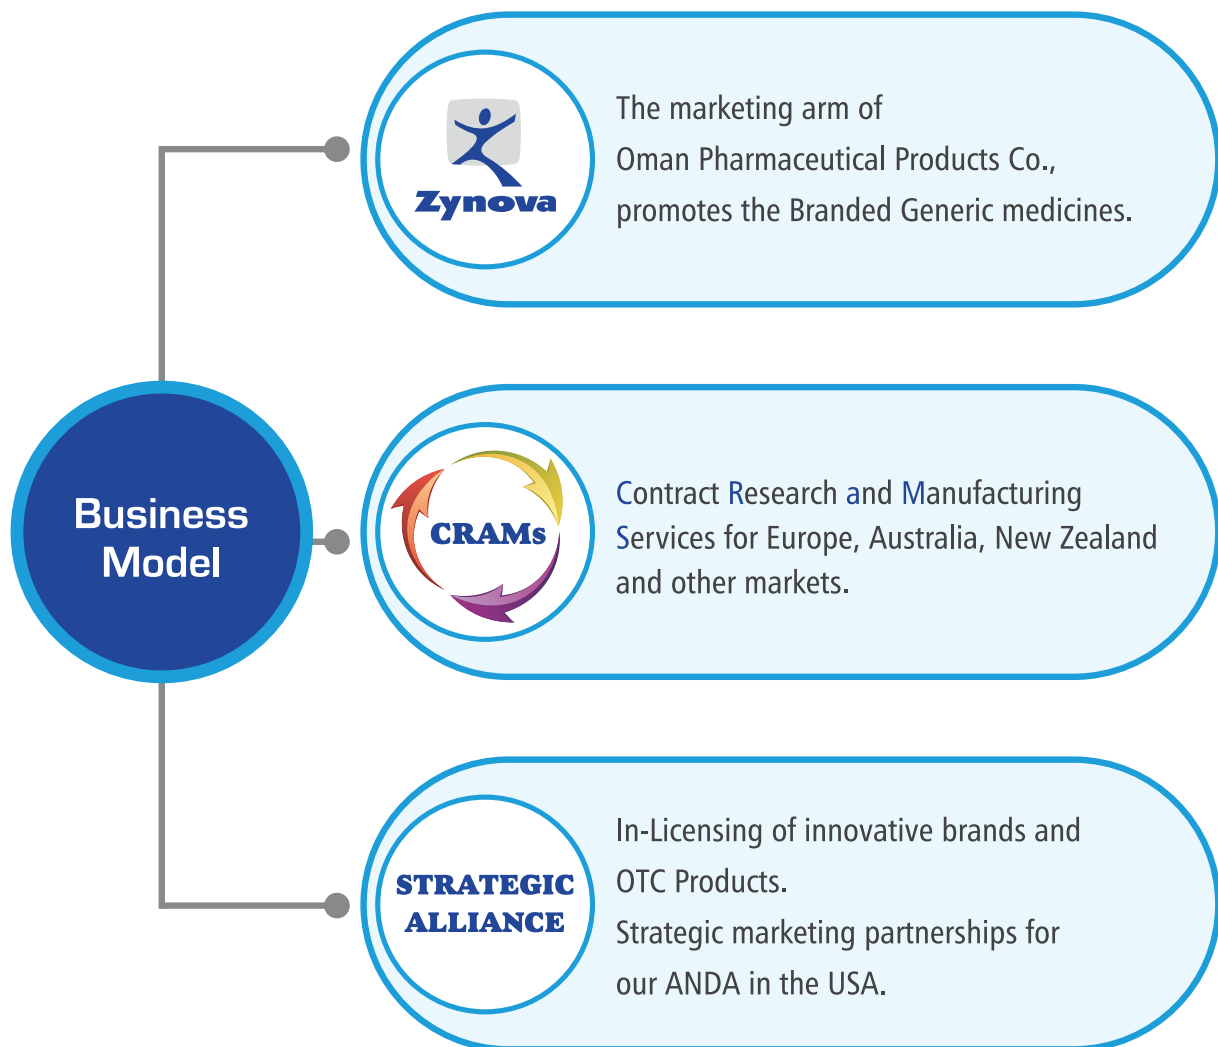

To be recognized as a
Class apart pharmaceutical
Company with Quality
Products and maximum
Customer Satisfaction.

Mission

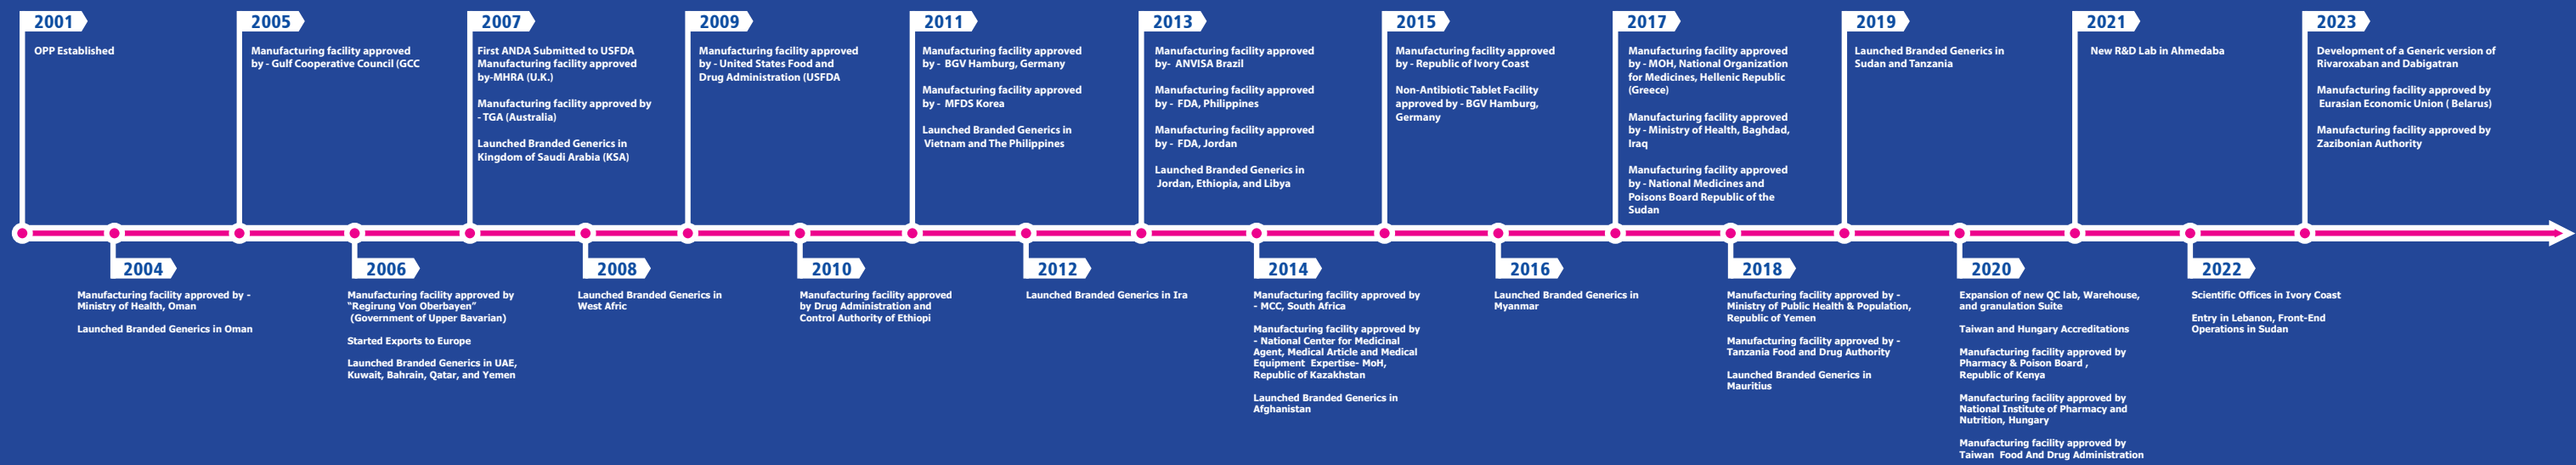

Strive towards better
Health for people
through
Leading innovations
in medicines.

Values

Quality & Excellence
Innovation
Customer focus
Collaboration-Teamwork
Perseverance.

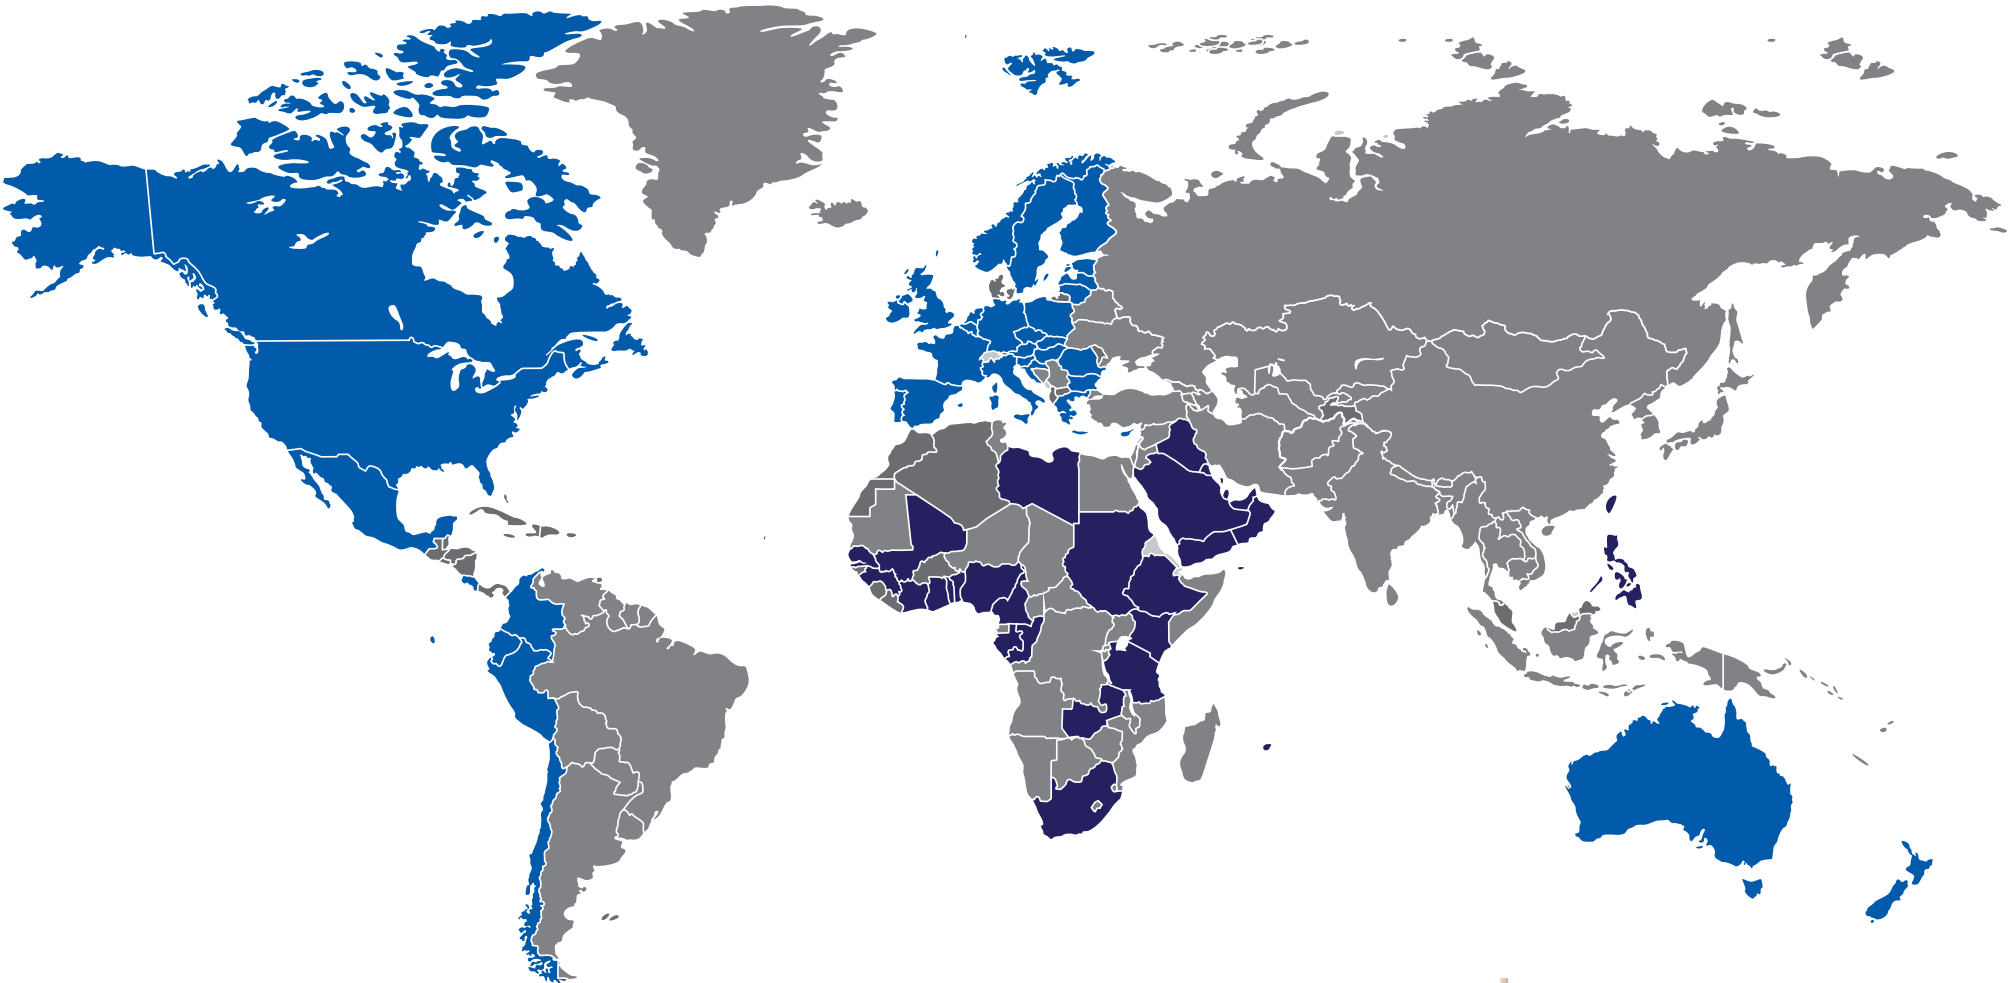

Journey of Excellence

Global Presence

Costa Rica
- European Union (10)**
Croatia, Greece, Germany, Hungary, Ireland, Norway, Sweden, Spain, Portugal, United Kingdom
- Australia & New Zealand**

Our State of the Art Manufacturing Facility

Manufacturing Capacity/ Differentials

Capsules

600 million Capsules[#]

General : **350 million**
Cephalosporins: **250 million**

Differential manufacturing of pellets by using Wurster Equipments

Tablets

2100 million Tablets[#]

General : **1100 million**
Hormones : **700 million**
Cephalosporins: **300 million**

Dedicated section for Hormones and Cephalosporins

Expertise in manufacturing effervescent tablets

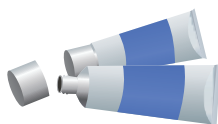

Liquid Orals

19.5 million Bottles[#]

Liquid Orals
General : **12 million**
Dry Powder : **7.5 million**
(for Oral Suspension Antibiotic)

Topicals

26 million Tubes[#]

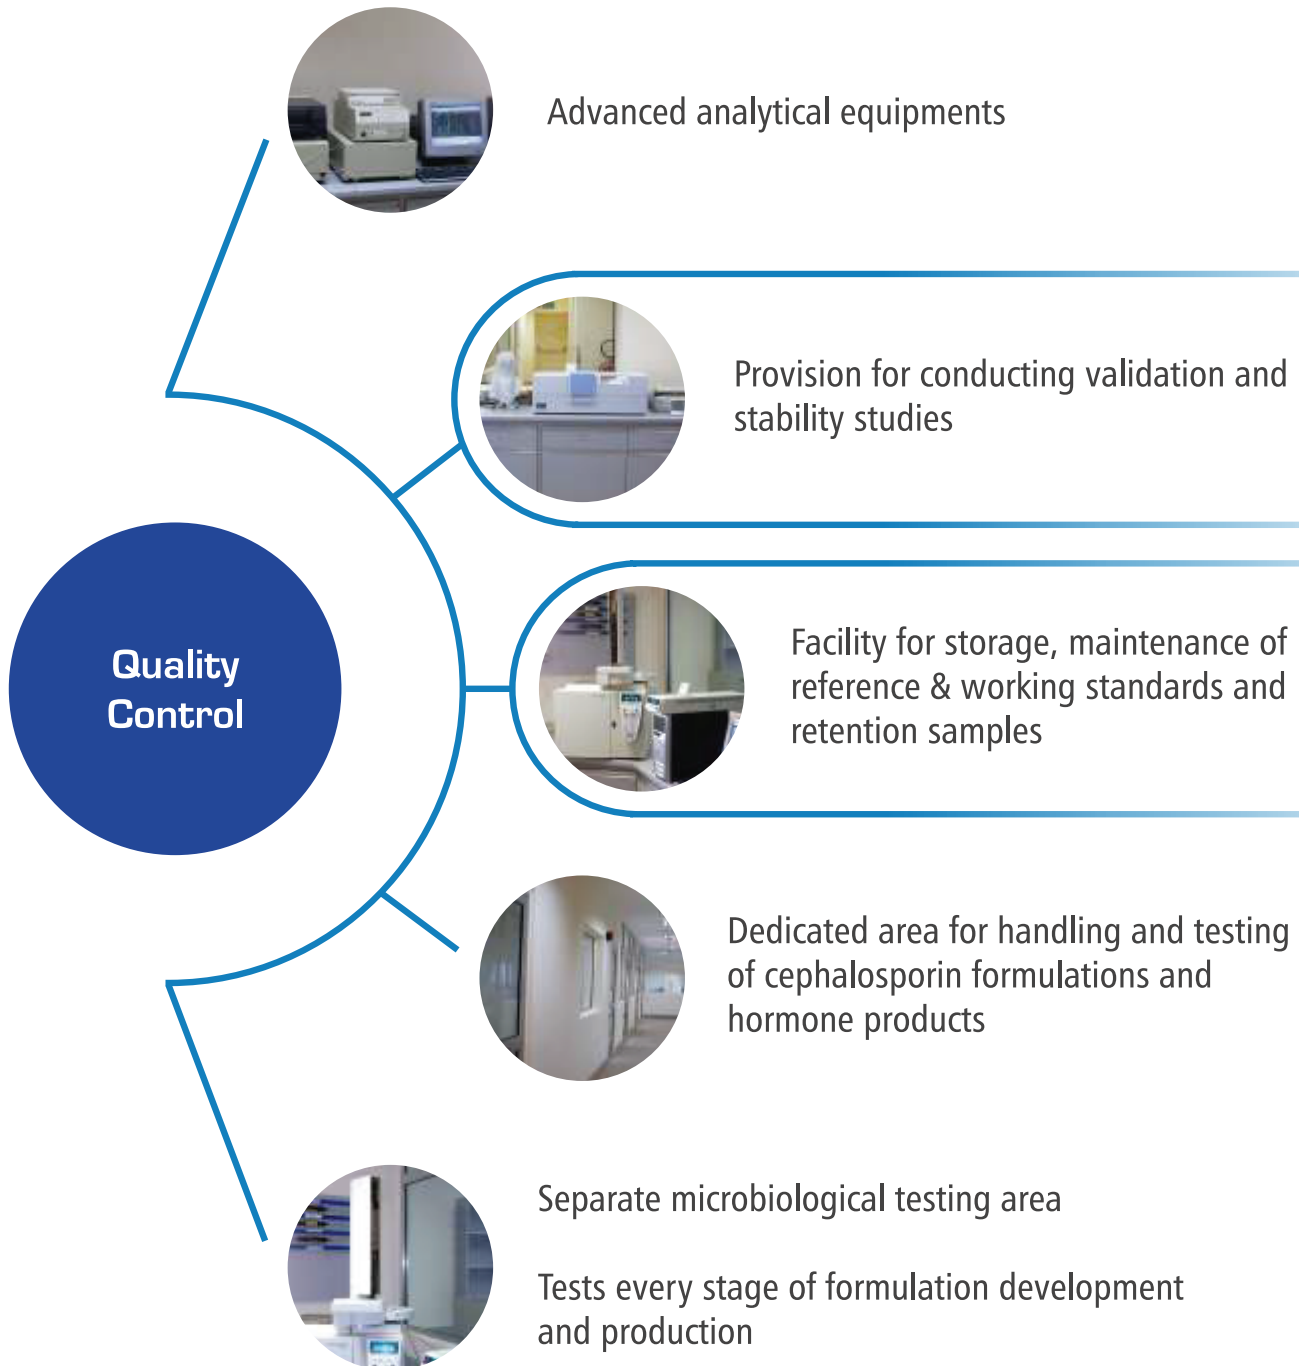

General : **13 million**
Steroids : **13 million**

[#] - Annual Capacity

Packaging-**300 million** blisters of 10's pack¹, **20 million** bottles

Well Equipped Quality Control Department

Committed towards Research & Development Excellence

cGMP compliant facilities

Well equipped formulation development Lab

Developing bio-equivalent products

Dedicated facilities for developing
oral cephalosporin formulations and
hormones

Pool of highly qualified and talented Scientists

**Investing in
innovation:
R & D
Attributes**

Advantages of Collaboration with us

**USFDA / MHRA / TGA / MCC
Approved manufacturing facility**

**State of the art formulation and
manufacturing capabilities**

Global Presence

Strategically spread across the globe to serve customers worldwide

**Branded generic business operational in the
MENA region with well trained field force**

A wide network of agents & an extensive
distribution channel for smooth functioning

Customer dedicated project management

Regular interaction with customers for better
understanding of their requirements and
to manage on demand production

Facilitation to customers through our tech and
site transfer products

Security of supply

Regulatory and quality compliance, ensuring swift
development of projects and on-time delivery

Flexible supply chain system

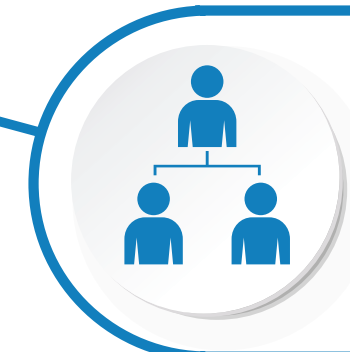

Quality preserved transportation with cold chain management

Regulatory affairs support

A team of experts for proper documentation and
efficient management of regulatory issues

Submission of dossiers to USA, MENA region,
West Africa and ASEAN countries

Quick turnaround time

Stringent monitoring on the planning and execution of
order to meet deadlines

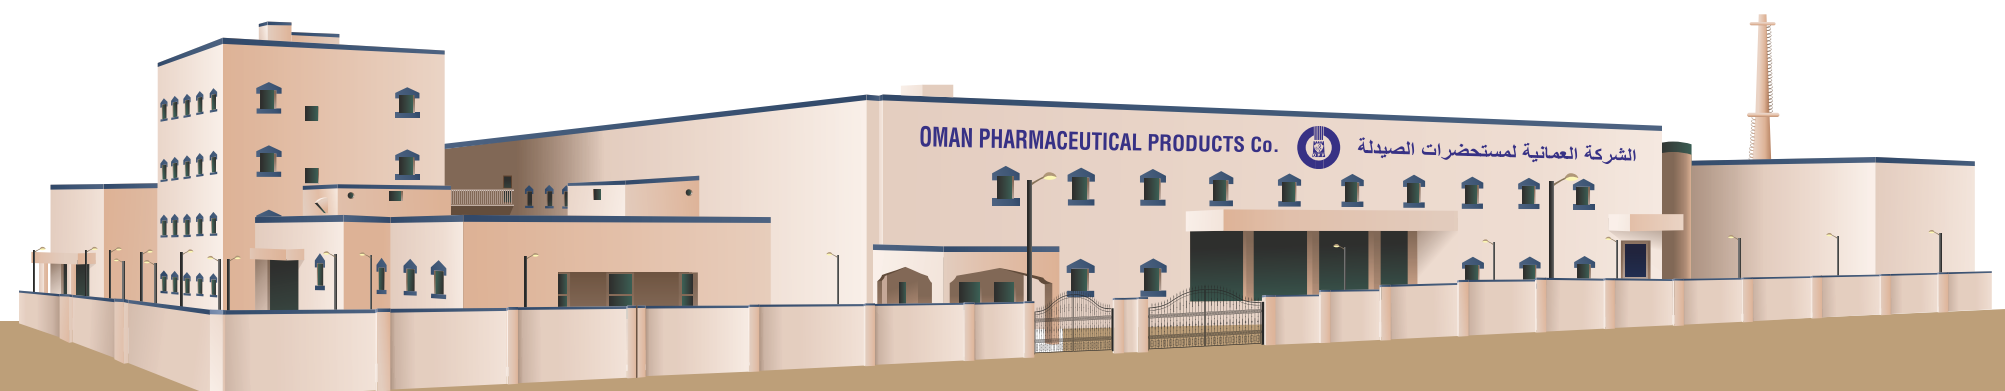

Well planned and faster execution of projects to
meet delivery schedule

Management-Quick decision making

A customer friendly organisation

Flexible organisational structure to meet customers' requirements

OMAN: A Business Friendly Destination

Oman tops GCC countries in ease of starting business¹

*Annual Doing Business 2017 report of the World Bank

About Oman

The Sultanate of Oman is located in Southwest Asia, on the southeast coast of the Arabian Peninsula. The nation is bordered by the United Arab Emirates to the northwest, Saudi Arabia to the west, Yemen to the southwest, and shares marine borders with Iran and Pakistan. The country is poised to take advantage of its strategic trade location on the Indian Ocean and the Persian Gulf for its economic growth.

Infrastructure

- Network of highways linking to entire country
- World class airports at Muscat and Salalah
- Extensive seaport complex
- Advanced digital & banking network

Political Stability

- Politically safe and stable
- Good relationship with neighbouring countries
- Recognized for peace, security & respect for people

Promising Business Destination

- Business friendly environment (no personal income tax, full repatriation of capital, net profit & royalties) signatory to WTO in 2000 & FTA with the USA in 2006.
- Respect for property rights & sanctity of patents, educated and largely bilingual workforce.
- Rapidly growing healthcare market

OMAN PHARMACEUTICAL PRODUCTS Co.

PRODUCT LIST

SEGMENTS	PRODUCT NAME	BRAND NAME	PHARMACEUTICAL FORM	STRENGTH	DOSSIER AVAILABILITY		
					ROW	ACTD	CTD
